

Special Enrollment Event Notice:

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage ends (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 31 days after the other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 31 days after the marriage, birth, adoption or placement for adoption. To request Special Enrollment contact Employee Benefits at 480-644-2299.
